Hi Emily,

Enclosed is my retainer fee agreement. I usually obtain a retainer fee of \$5,000 per case to protect my self and my company. A lesser amount will be considered depending on the case. At this point I still don't know what the case is about.

If surveillance is involved our company will do its best to provide you and your client with photograph and video confirmation. This work is sometimes very difficult and therefore cannot be guarantied. I hope I have answered your questions.

Hi Michael,

Can you please send me the general terms and policy of your contract, so I can explain everything to this female client of mine. The lady who plans to hire you probably has been through a lot, so now she takes extra precaution on every decision she's about to made. She would like to know more about your end of responsibility before sending you her personal information and everything.

Thank you,

Emily Hsu
